Merchants and Merchant Categories

PerkSpot is proud to offer exclusive or private discounts from approximately **900+ merchants** in a wide array of categories.

See following pages for a sample of some of our most popular merchants by category. Please note that these may not be inclusive of all of our merchants or categories.

Merchant Relations Team

The PerkSpot Merchant Relations Team adds local and national offers **up to 40 times a day**, so our list of merchants and offers is continually updated. Providing a static list of merchants and offers can therefore be challenging.

We also highly encourage employees to use our “**Suggest a Business**” feature, in order to get more deals that resonate with them.

During your implementation call, your dedicated AM will walk you through the merchant list in more detail, to ensure that your direct competitors are always suppressed.

Please reach out to us at: sales@perkspot.com, with any questions or specific requests.
